Kate was an inspiration for many years in my life and provided a friendship that was truly needed and valued. It was a joy to watch her daughters give back to her and care for her until the end. Her life was not filled with the material things in life but with a special love for her family that we should all aspire to. Thank you, Kate, for the sparkle you brought to many lives and have fun with the family you've missed. Billie and Diane, you were model daughters and my prayers are for your comfort in this very hard time! Love, Sandy

My condolences on your loss. "Aunt Kate" was always so kind and generous. I will never forget her and my grandmother (Florence Boston) tearing up Toldeo as "Thelma and Louise." May she rest in peace.

I am sorry for your loss. I had not seen Kate in many, many years but I remember a very nice visit with her years ago before my grandmother, Alice passed away. And I remember many stories that my grandmother shared with me about Kate. My prayers are with you in your time of sorrow. April L. Partlow

I'm sorry I cannot make the funeral, but I'll be thinking of Kate. She was a great aunt and I have great memories of her all the way back to my childhood. I will never forget those memories or her sense of humor and always a happy smile. I will miss her very much.
