“ Sometimes someone in your life is so special that you just don't know where to start or what to say. Auntie Alice and Uncle Billie stepped in as a great support in my life over the years. There are so many stories to remember, and so much to tell. I wouldn't know where to start other than Alex and Alma taking me to W.T.Grants and making me do a hula for Auntie Alice. Oh my gosh, I thought the whole store was watching. She loved it though and that is what counted. Love you Auntie Alice and I will miss you. I know your happy again with Uncle Billie

“ Alex, We are only seperated for a moment in time. We'll all meet again in our eternal home. Joy will replace sadness and we will live happily ever after.

“ Alex and Dean, Please know that even though we cannot be there in person, we are with you in spirit and with our thoughts and prayers. One of our special memories of her will be how she LOVED to feed everyone who came over to her house. She was a special woman and will be missed. God's blessings and Love.

“ Aunt Alice will be greatly missed by everyone. I remember going to her house with my Grandpa Kenny the first thing she always asked is if we were hungry. Even if you weren't hungry she never took no for an answer. She was the only person to get me to eat shrimp and like it. Aunt Alice was a wonderful woman and a great friend. It's hard to believe it's been so long since we lost Uncle Billy. As for myself I will never forget them or how someone so small could bring so much love and joy to all of our lives.
