“ Nancy and family, I am so sorry to hear of your moms passing. She was a special lady and I’ll always remember her sense of humor and laugh when she came to mom’s house for bunko. They all have such a special friendship. I know the girls are going to miss her too. You are in our thoughts and prayers. Donnie Urban

“ Dear Gary, Nancy, Julie and Family, We were so saddened when we received your call and wish we could be there. I know heaven has another angel. . . and when she walked through heaven's gates, she felt right at home. Your Mom and Dad were the best neighbors anyone could have and we will miss the light in the window, the wave and her presence. . . . We know how much Kate loved her family...but can only imagine her dancing with Jesus. You all in our thoughts and prayers. Pat and Bob
