“ We want to express our condolences to the family. I am Colleen's father's cousin. Peg and I became aware of Colleen's passing away this morning. My sister, Paula, sent us a e-mail and we found out in time enough to use this website to express our sympathy. The obituary has very helpful. I had forgotten Colleen's grandmother's name was Bauch. And, if I remember correctly, I always called her Annie. You have a lovely family. God bless you all.

“ My cousin my friend, Thank you for so many wonderful memories. I will always treasure them. We were so Blessed to all grow up so close to each other I believe more like siblings than cousins. I am so fond of the times we met â€œhalf-wayâ€ in between our homes, in the sun at the cottage, school days, babysitting, hanging around Eric, volleyball in your backyard, Christmas parties, and most of all just talking. Thank you for putting others before yourself and being such a sweet person. Hug my mom for me... someday we will all be together again in Heaven peacefully for eternity. Love always, Laura

“ My thoughts and prayers go out to Colleen's family. Revelation 21:3-4 assures us: " And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
