“ I am so sorry to hear of my dear St. Ursula classmate, Colleen Grogan. I remember how pretty she was with beautiful hair and such a tidy appearance every day!- something I could never achieve!!

It's been a long time since my St. Angela Hall, St. Ursula years but I've never forgotten Colleen. My condolences to your family and this difficult time.

God Bless you all,

Sincerely,

“ I was saddened to hear of Colleen's passing, and offer sincere condolences to her family. Colleen and I were very close while attending the University of Toledo in the 60's. We both moved on in our lives, but I always remembered her very fondly. While in Toledo in 2013, I called on her and we spent an enjoyable afternoon together talking about old times. Colleen was a wonderful, caring woman, and she'll be missed.
