“ I remember Donna from Whittier School where she was a third grade teacher and I was the new assistant principal under Principal, Pete Whalen. Donna made a strong impression on me with her teaching ability and her great sense of humor. Rest in peace, Dear Donna. Sue Culver

“ I am so sad to hear of the passing of my Great Aunt Donna. She was truly a wonderful woman, always kind, warm, and generous. I was hoping to introduce her to her great, great nephew this Christmas, so it is especially tragic to hear of her passing. My deepest sympathy to her friends and family at this sad time.

“ I was saddened to learn of Donna's death. I pray she is enjoying the love of the Lord. I am so glad that my cousin Bob McCally has been able to maintain the communication link with you all in Toledo.

My father, Ralph McCally, always enjoyed a little rivalry with Donna over the correct pronunciation of "McCally". He said it with a short "a" and Donna always said it with an "ah" or "aw" sound. It was one of his favorite things to do when we had the privilege of visiting Aunt Duane and Uncle Clay in Toledo. I remember those trips well even though I was probably about 10 or 11 years old when we last made them. Donna's picture shows her tremendous resemblance to Aunt Duane.

May God bless you!
