“ Since the collage we sent will not zoom in to let anyone see the pictures. I have loaded them separately. Hopefully this will alleviate that problem. They are such great pictures! We just want everyone to be able to save them. All of our love to our family!

“ We found a bunch of great pictures we wanted to share with everyone! We also want all of our cousins to know that we love you very much! Uncle Jim says he's proud of all you boys! Such great memories and such a great family! So blessed to come from the "Manion clan"! Love to all!

“ My Dad, Jim Manion, referred to Aunt Clare as his “baby sister”. Probably because Aunt Clare kept reminding him of that fact She was a remarkable, one-of-a-kind woman. Full of laughter that was infectious when you heard it and made you laugh too. Her quiet strength, advice, fun loving spirit and kindness will long be felt and remembered. After my Mom, Dorothy passed in 2002, I showed Aunt Clare a poem I found that exemplifies how I feel about our departed loved ones. She thought so too. The poem is:

“To those I love”

If I should ever leave you whom I love

To go along the silent way, grieve not

Nor speak of me with tears but laugh and talk of me as if I were beside you there

(I'd come- I'd come could I but find a way

But would not tears and grief be barriers)

And when you hear a song or see a bird I loved, please do not let the thought of me be sad.

For I am loving you just as I always have.

We love you Aunt Clare and know your spirit is still here with us.

“ To Clare's family,  
I was a St. Ursula classmate, class '49. I have fond memories of her smile, her laughter. Some years ago she and some classmates visited me here in Tiffin OH. We spent the day recalling high school years. It was a day of joy and friendship. God rest her sweet Irish soul!

“ I could sit here all day and there wouldn't be enough words to describe the most amazing woman that was my Aunt Clare! Had I known the last time we were together would be our last time I would've held you tighter, laughed a little longer, loved you even more fiercely!! I will forever miss the funny little sense of humor, that infectious wonderful laugh and a smile that could brighten any gloomy day! I find peace in knowing that you are in the loving arms of uncle Hank, my mother and all of our relatives in heaven! Morals, integrity, and character you had them all! LOVE YOU AUNT CLARE!

“ I would just like to add that I was truly honored to be your niece! I am very blessed to come from the family that I have filled with amazing aunts and uncle's, loving cousins and just all-around good people! Growing up in a large family is hard at times because there seems to always be loss! I know I will one day see them all again so that brings peace to my heart! You and uncle Hank did an amazing job raising your six sons which made them into the strong and wonderful people they are today!! Thanks for all your wisdom after mom died. You truly brought me through some dark days! I know you and Aunt Barb and mom are all laughing together again so I am smiling knowing that the Three Musketeer are together again! 😊

“ To my dear nephews, my sister Kate, brothers Jim and Tom and all the family, My thoughts and special prayers are with you all as we send beloved Clare to her God to be reunited with her loving husband.

We have wonderful memories to hold us together. Clare's devotion to family, her "come what may" temperament and her charming wit and delightful laugh will keep us strong. Take care of one another as Clare would, and know that you are always in my heart.

“ I feel very fortunate to have had the privilege to meet Clare and many members of the Manion family. It was quite a treat to watch the dynamics of Clare and Joan when they were together. I think Clare won out in the “talking department” and Joan added to the conversations with her amusement and embellishments. I can only imagine what it is like to be a part of the family, although Joan does a good job in her memories and descriptions! My prayers are with you all as you say farewell to a truly spirited, loving and generous woman.

Blessings and peace,

Paula Anton ( dear friend to Joan Manion, SGM )
