“ Frank was a very kind man. He helped me when I first came to this country from behind the wall. Encouraged my learning to speak English. I used to laugh with him and Beverly at the Club. I hope your happy memories will carry you through the next days.

“ Bev and family:

We are so sorry to hear of Franks passing.
We are unable to attend and talk with all of you, due to my recent surgery. You all are in our prayers.
God Bless you.

“ Frank was a gem of a man. I really looked forward to the times when he and Beverly would come into our office. It was obvious that they were very much in love. He would pretend to complain about something, but always had that twinkle in his eye and a smile. We talked often about our German heritage, German foods, and even German beer. He always reminded me of the proper German way to pronounce their name and I would also repeat mine to him in German. I will really miss him, as I am sure many others will also. May your wonderful memories comfort you throughout the coming days.
