“ You and your family have our deep sympathy, wish there was more we could do to help ease the pain but there are some things that only Almighty God (Ps.147:3) can do for us. Our loved ones may leave the world but never do they leave the special place held for them in our heart.

“ Ann, George has been my friend at local 50 for many years. I started there as an apprentice in 1966 and I have known George for almost all that time. He was a real friend and I enjoyed his company very much. I will never forget George and our conversations on the job and at our union meetings. His quite personality, humor, friendship and brotherly love will remain in my memory always. Please accept my deepest condolences at your loss and the loss we all feel about George's passing. He was a really good man.
