“ Gregg was one the finest model builders I knew. His addition of humor to his dioramas would always be one of the hits of the shows we went to. His personal sense of humor made him a lot of friends where ever he went. All of us enjoyed calling him friend and we will all miss him . he was special.

“ I have known Gregg since the 1970's from our membership in IPMS and the various conventions and model shows we attended. He was one very special person and I always enjoyed seeing him when I was in the Toledo area. His sense of humor and wit were unique and he could always be counted on to liven things up. He will be greatly missed by all who knew him. Rest in peace my friend and thanks for over 40 years of wonderful memories!

“ Amy and family, we have lost quite a character. Gregg was a lifelong friend from High School and beyond. He was the treasurer of the Fishing Club and spent the last \$20 in the kitty on driving gloves. The club approved such a bold move, as long as Gregg would wear them to sporting events and club meetings, which he always did! That was our friend Gregg. I enjoyed our visits and lively discussions. Will be remembered fondly and even as I write this, he is bringing a smile to my face. We will be planting a tree in his memory. You are in our prayers.
