“ We all thought your Mom was the greatest. She was always smiling and had a happy household. Our memories will always be of hanging out with you guys in the backyard playing softball, in the chicken coop with haunted houses or playing in the Renault. Your parents must have liked music too because they let you play it . Your Mom was one of the few Mom's to work outside the home back in the 60's. She was an inspiration. Great picture of her. See you this afternoon. We're very sorry for your loss.
