“ John was interesting, interested in others and a great athlete. I hope to be the same throughout life.

I enjoyed our Thanksgiving gatherings with talks, playing Paddle and his always positive approach to just about anything. I wish there was more time.

Thinking of the whole Wiley family,

“ Val and family, Elaine and I send you our condolences. John was a wonderful man- someone to look up to. I met John in 1954 when I transferred to DeVilbiss. He was a terrific athlete and a leader as well as a really good person. Those attributes lasted his entire life. He will be missed.

“ John " Doc " Wiley was a remarkable guy. He was special in so many ways and someone I considered to be a very good friend. John was the consummate gentleman and an intense competitor in multiple sporting venues. My experiences with big John were on the golf course. Having played many rounds of golf with Doc at the Inverness Club I'll never forget an Old Pal match when John and I were partners. At the end of the front nine John and I were 4 down. As we stopped at the turn for a beverage our opponents had determined the match was over and began to discuss evening activities planned for later that day. Their smug attitude did not go over well with my partner. The Doc went out on the back nine and shot a 37 to lead us to victory. I sat back and watched him grind, wow what a performance. John was passionate about life, totally devoted to Val, his family and a wide network of friends. He made a difference in the way he lived his life and touched all of us who knew him. We will miss him very much. God Bless John!

“ So sad to read of John's passing. He was a great man and wonderful humanitarian and I thank him for his great service to our country during the Vietnam War, and then the great helper he was as a valued member of the D.O.V.E. Fund. God's peace and blessings to Val, the family and all who knew and loved him.

“ Doc was one of the kindest men and fiercest competitors I've ever met. What a gracious man. An example for us all. He will be missed.

“ To the family of Dr. Wiley,
I was one of his many patients for years. He was a truly wonderful person and I missed him when he retired. We joked once that he must have started practicing when he was 12 years old as I had been his patient for so long. He was a true humanitarian along with just being a genuinely awesome person. I would also like to send condolences to his work family (Lori) who are surely mourning his loss.

“ Dear Val, I do not know of anyone I have ever known that I liked better than John. I learned of John's passing from Dave McMurray following Beth and my one night return visit to Toledo to see my two brothers, Jan and Rob, who both are not doing well. Beth and I were in Toledo on the 24th. When Dave shared the knowledge of John's passing, I immediately fixated on my want to come back for John's memorial. It pains me to say that Beth and I cannot return on the 1st. Certainly, we will both be there in spirit. With very few exceptions, each time Beth and I returned to Toledo, I made an effort to see if we could see you and John. More often than not, our return coincided with your traveling.
The most meaningful exception was that year that I played golf with John at Inverness, after which the four of us had dinner at Inverness. Please accept our condolences. You cannot read the emotion I feel in the print of this email; but it is there nonetheless. I hope that Beth and I might see you upon our next return to Toledo. I fear, however, that the next return for us will be at my brother Jan's passing. He'll soon be 88 and he certainly is not doing well. What a great picture of John is on this website! I don't think you could find a better capture of the essence of John and his joy of life.

“ Val and family. Shirley and I just returned to Toledo and learned of John’s passing. What a wonderful man he was and admired by all who knew him. He was a great friend and we will miss his smile, his sense of humor and his positive approach to life. May the sweet memories of your shared life together help to ease the pain of his loss. If we can help you in any way, please ask. Our deep condolences and love.
