“ I am so sorry to hear of your father's passing. I have fond memories of him as I was growing up. He always made me feel welcome. I felt your home was my home for many years since I visited so often. My deepest condolences to the entire family.

“ Dear Family, It was my honor to be Mr. Klapp's guardian on the flight to Washington DC so Mr. Klapp could see his memorial. Mr. Klapp touched my heart that day more than I can tell you. From the first time I saw him I knew he was a very very special person and as the day went on and I got to know him I knew why. I think about this trip often, I have been on four trips and I don't know why but this trip was the best. I believe it was because I was matched up with Mr. Klapp. It was my honor to be with Mr. Klapp on this flight. I am so very very sorry that he has gone. You have my condolences. His flight guardian Chris
