“ Dear Mike, Kristin, Mikey and family,
Your in my thoughts, my heart and my prayers. Kathy was a wonderful friend and I will miss her forever. I loved her humor she could always make me laugh and I love to hear her sing. She gave me many gardening ideas. Even though I moved to Georgia we talked often she loved to talk about kids and grandchildren and how happy they made her.
They say when the Lord calls our loved ones home, he leave a gift of memories in exchange. I feel very blessed because I have a lot of marvelous memories of my friend Kathy.
Love to you all

“ Dear Mike, Kristin and Mikey and family,
My heart is broken. I loved Kathy and had so much fun with her when we were neighbors. We laughed so much and everything in my garden was from her. I even took part of her garden to Ann Arbor with me, and when we got together it was if we were never apart. I have so many Kathy Gorski stories that I still tell today. I will miss her so much. I know how much she loved you all and how she loved and adored her grandkids. I share my sadness with you and we send our deepest sympathies. She will always be in my heart.

Love,

“ Mr. Gorski, Kristin, Michael, and family-

I am so very sorry for your loss. I remember going to play at your house when I was young, and Kathy was always so kind, with a beautiful smile on her face. And when we reconnected earlier this year during a hospitalization, she had that same beautiful smile and kindness, despite the cancer battle she had been fighting. I can't imagine how difficult this is for all of you, but I know that Kathy is around you, giving you strength, smiling that beautiful smile, and letting you know that she is okay. I am praying for strength and comfort for all of you in this difficult time.

“ Dear Gorski and Wojcenwoicz families,
I am so sorry to hear of your loss. I hope you have so many wonderful memories of Kathy, that the moment a tear starts to form in the corner of your eye, a smile starts to form on your lip and in your heart. We already know that Kathy is in God's hands, but what I pray is that God is easing your pain, hour by hour.

Please find consolation from the stories you loved ones share,
