“ We were very saddened to hear of Lois' passing. We enjoyed seeing and caring for her over the years. She was always very kind and made us laugh. She had a very spunky personality and will be greatly missed.

“ Miss Kear had been my music teacher as I child. To remember her name so many years later, she obviously touched my heart. My sincerest sympathy to her family.

“ I was very sad to just now hear of the passing of Lois Kear. With all the music students she sent into this world I'm surprised there are only three condolences. Now there will be many more.

Miss Kear, you started many of us on the path of teaching. Through a few students you have touched hundreds of others, and many more via a music school I started recently. It thrives, and several of those students are going on to teach. Your legacy of nurturing musical children will reach thousands of people. Let this message speak for the thousands who will never know you but will somehow miss you.
