“ Dear Charlie. I was so sorry to hear of Big Mares death. I sit here and remember all the times we were together in Buffalo she became my big sister. Movies and babysitting for me all the time. I think My mother took advantage of her for those reasons. I loved her and I know she is in heaven and watching us now. She took me to so many things when i visited her in Toledo. I remember taking the bus every summer. after we left Buffalo. 3 1/2 years from now is our 50th anniversary and of course thought she would be there. I know she will be at Shrine watching over us as we renew our vows. I will find and idea for her to be there in spirit somehow. Charlie let me know how you are doing. How is your health. I hope good. Please know i will keep her in my thoughts and prayers always. Sincerley and with all my love Little Mare and Tom.

“ I will never forget you aunt Marilyn. I will miss your presence. The last conversation we had was when I bumped into you at Meijer's and we were talking about school pencils. I never had a conversation so long about pencils but I enjoyed every minute of it with you. I will miss you.
