“ I was married to Mary Ann from 1958 to 1964. As a young couple, we had our ups and downs and the marriage ended over Mary Ann's fear of having a child (because her mother nearly died in giving birth to her), and my immaturity in being able to understand and deal with that issue. I had the opportunity in 1999 while traveling across the country to visit Mary Ann in Toledo and ask for her forgiveness for my immaturity. We left on good terms. I am proud to see that she got over her fear and had a son, Michael who should be very proud of his mother for all she went through. I was saddened to hear from my sister, Bonnie in Toledo to hear that Mary Ann had passed away but that it had happened on Easter Sunday. I know that she is in God's hands and I expect to see her again in the not too distant future.

“ Dear Mike, I am so sorry to hear of the loss of your Mother. I remember when you and Corey were going on your eighth grade trip and your Mom and I decided to throw kisses to you. I think you both were trying to hide but we thought it hilarious. Know you and your family are in my thoughts and prayers at this most difficult time. Joan Walter

“ I worked for a time with Mary Ann at American Health Group - until we moved to Houston in 1995. I will never forget the day she came into work and gave me a gift pack of cologne she'd picked up. I remember thinking how very sweet. I'm sorry for the family's loss.

“ I worked with Mary Ann at Owens-Illinois and got to know her really well in 1991 when she came back to work part-time and help us out in the Finance Dept. She and I were pregnant together back in the 70's and we also went to the same pediatrician and I would run into her there as well. So Michael, I have a son the same age as you. Your mom always had a smile on her face and I don't ever remember her having a bad day at the office. She was a joy to be around. Please know I am thinking of you during this difficult time.

“ I had the privilege of working with Mary Ann at Owens-Illinois in the 1970's in Management Reporting. She always had a smile. I remember her fear to learn how to use a computer -- it was so out of her realm at that time. However, she mastered it like many others things in life. Michael, your mother was truly a giving, caring person and a joy to me as a friend and co-worker.

“ I was just a waitress who saw Mrs. Burkett most mornings for a short time. Only a few words ever spoken but always a smile. Thank you, we will miss that.
