“ I am truly saddened to hear of Mary Jane's illness and passing. I first met her at Dr. Garlo's office, when I was pregnant with my "surprise," baby in my '40s. I found her to be such a comforting, fun woman to talk with...and we quickly discovered that we shared mutual friends, which started lots of conversations.

More than once in the years since 2007, I would run into her at a store or event. She ALWAYS remembered the details about my kids and about my work. I have to believe she did the same with other patients. She wasn't just doing a job, she was connecting with people.

A few years ago, we ran into one another at a church event...and we discovered that we both belonged to the same Catholic parish. I am so glad to have known her!

“ Dear Bart and family,
Several months ago I saw Liz and she caught me up with news of your family. Now to learn of Mary Jane's passing is truly sad and difficult for all of you. She was a kind and lovely woman.

Please accept my condolences, and I will keep your family in my prayers.

“ Dear Bart and family,
I am saddened to hear about Mary Jane. Please accept my sympathy. She and I lived across the hall from each other in nursing school. We spent overnights at each other's homes in Rudolph and Gibsonburg. She was my friend and an excellent nurse. She will leave an emptiness in the lives of those who knew her. I send my prayers to you during this difficult time.
Love,

“ Mary Jane and Bart were good friends of ours. We were both high-school sweethearts. Did a lot of great things together including a crazy camping trip. We had a lot of crazy fun together! Bart stood up in our wedding. Dave is up in heaven with Mary Jane also probably laughing at the fun times we had. She was a wonderful lady to know. Until we meet up again someday may the good Lord take care of you and

Dave. You will be missed!

“ Dear Bart & Family... Just a short note to pass along our condolences on the passing of Mary Jane... I did not know Mary Jane that well, but my wife Joni had many conversations with MaryJane at the Zajac kids weddings & showers... Joni, like Mary Jane is also a retired nurse, and Joni was very impressed with Mary Jane, not only professionally, but as a total class act.. I of course was more closely associated with you Bart, going back to our High School days, and 1967 at the University of Toledo... In fact, the first time I ever met Mary Jane, was when we hauled you up to St. V's, after you broke your leg playing football.... Under any circumstance, please accept our thoughts & prayers... Sincerely, Davey & Joni Jones, Bucyrus Ohio
