“ I have wonderful childhood memories of my family visiting the host of aunts, uncles and cousins in the Toledo area. During our trips from New York my siblings and I had such delightful anticipation of visiting Minnie Ruth - or "Aunt Bop" - as we called her. Her passing was preceded by the passing of her sister, Rosemary (my mother), by just a few days. This somehow confirms the spiritual bond shared by these women. My sympathies and prayers are offered for the Wagner and Buschman families.

“ I am sorry to learn of your loss but know that Minnie Ruth is at peace and in good hands. She will be missed by many. Keep memories of her and all the times you shared on Sunset Blvd close at heart to ease the emptiness. May the good Lord bless her as she is laid to rest in eternal peace and joins her heavenly family. My deepest sympathies to all the Wagner family Cathy Gallagher (Daughter of Mary Jazwiecki)

“ Heaven just got brighter and Minnie Ruth just got her wings. She's up there with your dad, my mom and dad, Maxine, and all of her friends that have passed. She was a wonderful lady! I miss her whenever I think of her - and it's often that I do. I was just telling someone about the time she came to visit my mom and fell coming up the porch steps. My mom came to help her up and landed down on the ground too. The two of them laid there rolling around - neither able to get up - until the neighbor across the street saw them and came to help. Funny now!!! - wasn't then! God love her, bless her, and keep her safe! My condolences to the entire family.
