“ To the family of Ms. Vogel: I am so sorry to read about her passing. She was my Kindergarten teacher at DeVeaux. I now substitute teach, and I have always said Kindergarten teachers deserve a special place in Heaven. I hope she found her special place. She has been and will be fondly remembered in the loving way she shaped so many young lives and minds.

“ Miss. Vogel was my kindergarten teacher at DeVeaux. I'm 39 yrs old now, but i've thought about her often over the years. I can still remember her classroom, the Matt and Sam reading books she taught from and her science center full of smelly things in jars. She obviously left a wonderful impression on me and I'm sorry to hear she's gone. She lived a busy, full and helpful life surrounded by children who i'm sure loved her as much as I did. Much love to you Miss. Vogel.

“ Please accept my condolences. I hope you can find comfort in the Bible's promise that the hour is coming, in which all those in the memorial tombs will hear Jesus' voice and come out. (John 5:28,29)
