“ Dear Rolland and Family,

Pauline was a very Special Lady to me. We became friends through the Groceries For Life program at Emmanuel Baptist Church. Her willingness to help others was apparent through this outreach program. Her Love for God and Our Lord Jesus was always first in her life. She helped me believe and trust in God's way rather than my own. She showed me how to Love those who are in need and not to be judgmental toward them, for we do not where their path in life has led them, but to always extend God's Love toward them.

Pauline has been a true friend to me and a teacher of God's ways. She always had a cheerful outlook on life and nothing could take away her happiness in the Lord. She is missed already.

“ Roland, you have my deepest sympathy. She was a kind person to deal with Mr. Ellis all those years.
