“ We loved Marie and as her pastors for 10 years, and our continuing friendship, we are saddened at the loss of her from this earthly space. But we know she left a great part of herself in her children and with George her husband shared many moments of joy, happiness and courage.

Till we meet again, Marie, enjoy your Heavenly Home. We will see you there.

“ George, Paul & Kay,

My heart is heavy with the passing of a long time friend to my family. Marie was my neighborhood Mom growing up, and she would tend to me, after school until my Mom got home. I have many fond memories of Marie. I remember going to their home, on Torrance, to take piano lessons from Kay. And of course, many times, I would pop in and find them watching professional tennis on the tv. Trips over to their church. Visits with Grandma Baker. Marie had an Infectious laugh, warm smile, and always a loving hug. Rest in paradise, good and faithful servant of God. My apologies for not going to the funeral home to personally grieve with you. Felt it was best to keep my cold to myself.

With Love & many memories
