“ My Mom (Dolores Pauken Marvin) & your Dad were first cousins, I met your Mom & Dad several times over the years at various functions especially parties for Grandma & Grandpa Pauken (Eleanor & Elmer). So sorry to read of his passing but I bet they're all having a good time playing cards together in Heaven!

“ I had the privilege of being one of the nurses taking care of Richard when he first came to reside at Kingston. He was one of the most gentle, soft spoken, easy going residents I had ever met. Almost anytime I had to enter his apartment he was on the phone with Margie who he adored. My thoughts and prayers to his family and loved ones.
