“ I couldn't have asked for a better grandfather in my life. He was full of love and was always there to support me when I was growing up. Grandpa was a role model to many and taught me so much over the years. I can say I am the man I am today because of his teachings. I will carry him with me everyday and will miss him dearly. The world was a better place because of his presence. He is pain free now and at peace.

“ I am so sorry for the loss of Bob. I remember him fondly from my parent's track, Milan Dragway. Always a smile on his face and a kind word when we talked. To his family~ Know what he touched many lives in a positive way. Blessings and again, I am so sorry for your loss.

“ We are saddened by the passing of Uncle Bob. May he rest in peace and no longer suffer from medical problems. Uncle Bob was blessed to have Aunt Mary by his side all these years - the healthy ones and the not so healthy ones. They made a great pair and are a testament to the sacrament of marriage. We wish Aunt Mary, David, Doug and their families peace in this time of mourning.
