“ RoseMary was a wonderful person. She was a neighbor of mine at Woodland Village. She lived right next door to my daughter. Every time my mom and me would visit my daughter she would come over to share a few laughs. When my daughter got married she came to one of her showers and ran into someone from Toledo, Ohio. They were so excited they found someone from their hometown. When my daughter had a baby. RoseMary told them I do not hear that baby at all. Also she was great to bring over some candy as the grandbabies grew. Also one of the things I really admire about her was she volunteer at Brookwood Hospital, Birmingham, Al. She was a Avery sweet person. She talked about you all a great deal. My mom daughter and I will be praying for you. May she rest in peace.

“ Our heartfelt sympathy to the entire Harshberger family. What a very special mother. I called Ramona to let her know that Mrs. Harshberger had passed to her eternal home. We have a wonderful time sharing memories of the Harshberger kitchen where we spent many hours just talking with her, getting her advice on life, sharing lots of laughter and sometimes tears. We remembered going to see The Sound of Music together. Even though we haven't seen Mrs Harshberger in many years there will always be a very special place in our hearts for her. We are praying for your peace. Karon and Ramona
