“ Sally was a serious gal who brightened our lives with her smile & generosity. She was a sister, best buddy, friend, a mom & a warrior in and out. I am proud of her strength and bravery. They say that death is not all sorrow and pain, it signals a new beginning, a new chapter in our lives. I am confident that Sally is now with our creator. She will be in all of our hearts forever. I, "thank you, Sally", that I was a part of your lifes' journey. Going to miss you forever sis ! Love, Donna

“ Dear friends & family - Thomas and I wanted to let you know how sorry we are. Sally was just a great person - always smiling! ! Everytime we were together, she would make sure everyone was taken care of - and having fun. She was such a sweetie - she would always remember small things we had talked about, and then she would ask me about them the next time we met - - what a memory! We will truly miss her, and are keeping all of you in our thoughts and prayers, Love, Thomas & Paula
