“ I worked with Chip for close to 20 years in Key West. I will cherish these fond memories. Chip was a loyal friend and I was sorry to see his body fail him in his later years. He was an avid bike reader and it pained me when he could no longer be able to. Rest In Peace my friend.

“ Sad to hear of Chip's passing. We were best friends through grade school. Lost touch with Chip later in life and always thought of him fondly. He was full of life, energetic, spontaneous and a independent thinker. We got into many a pickle in High school to the disapproval of our parents! Rest In Peace Chip, I'll always remember you as a good friend.

“ To the Burnett Family; I remember Chip when he was in First Grade at Elm Street (now Toth) Elementary School when his father was my Six Grade teacher in the 1960/61 academic year. Like all First Graders, I saw Chip to be very energetic. It did not surprise me that he became involved in sports much like his father. Somehow now, I find that leaving us at age 66 is way too young. May he rest in Peace, but no doubt in my mind that he will be missed. I regret that I can not leave New York City

due to the Pandemic, but please know that I will be with your family in spirit.
