“ Our Deepest Sympathies to a wonderful woman. She was loving, caring and giving to all those around her and new her. She never forgot your special days, like Birthdays, Christmas or Get wells. She was and still is a very special Great Grandma That we the Bowlings shall never forget. We have valued all she has given us and her Love, kindness, and her handmade gifts were the special ones. We shall miss that so much this year and on Holidays, but she shall never be forgotten. We Love her and will always carry her deep in our hearts and memories. With all our Love to Great Grandma Baldwin, our Love and sympathies go out to all in her family and her Loved ones. She will be sadly missed and her Loving letters she wrote and sent each and everyone. She was a true Angel: Love and Sympathies from all of us in the Bowling Family.
