“ PAT and "BUTCH" Sad to hear about your mother. She was a good neighbor and friend and will be missed. I remember all the gatherings at the pool and all the fun everyone had.

“ I loved working with your mom. She would always have something sweet to say and usually tell me the story that when she was growing up they couldn't afford milk so her dad gave her coffee. I will miss her smile.

“ Pat, sorry to see that your mother passed away. I noticed your mom also went to Woodward High. I remember fun times we had watching Dr. Ben Casey when you lived in the apartments. I have tried to see if I could locate you, just to chat. I'm not on Facebook.
Peace be with you and your family.
