“ I am writing to send a message of hope at a time that is so sad. It is so difficult to lose someone we love but the Bible speaks of a time when all those that have died will be resurrected back to the earth. Both in John 5:28&29 and in Acts 24:15 it tells us that all those in their memorial tombs will hear Jesus voice and come out. When Jesus was here on the earth he demonstrated he had the power to do this because he resurrected several individuals that had died, the most well known being Lazarus which account is found in John 11:38-45. I look forward to this since I have lost several in my family. I also look forward to the time when death will be done away with and there will be no more pain to suffer as is brought out in Revelation 21:4. I want to send my deepest sympathies to the family and hope these scriptures bring comfort to you.
