“ Sandy and her daughters were very welcoming to our family when we moved here in the 80's. She was always helpful, and tolerant of my crazy kids and pets over the years. She was a beautiful soul and is now a beautiful angel watching over her family.

“ I remember Sandy as a beautiful young lady. I lived on Riverside St., in Defiance, Ohio, and Sandy and family lived on Washington St. I went to school at St. Mary's with her sister Irene. The entire family was so very nice. My prayers and thoughts are with Sandy's family. God bless them all.

My sweet sweet mother, I am so relieved that your suffering is over but just so saddened by your absence. Not a day will go by that I will not think of you or miss you. The mother daughter bond we shared was a very special one and this is very hard to take. You were absolutely the best mother a child could of asked for and I was so proud to share all our memories with others. You will be missed by so many, as to know you is to love you. You've taught me so much and I hope to make you proud. My heart is broken but I know that you are feeling so much better and I have all the good memories to hold onto. Love you so very much...you will never ever be forgotten. Debbie.

Sandy was a wonderful sister in law who was always kind never saying a unkind word about anyone. You could always count on the welcoming smile when you would see Sandy. The last few years have been very tough but even in poor health you always would have a smile on your face when I would see you. You will truly be missed by your family and everyone. I will always remember you kindness. Don Wilson

Our sincere hope for peace for the family of Sandy. This is the picture we know from our senior year at DHS. A beautiful person for sure. Have always wished to know "her story" now that we are all old enough to really appreciate the background she must have shared along with Sophia Pietrykowski and Mary Lasek they were able to join the classmates of the class of 1964. St. Mary's became their new church and many friends here will miss her. God's blessings to you.

I will never be able to walk into a casino without thinking of my dear friend, Sandy. I have never laughed as hard as the day I convinced Sandy that you had to 'talk' to the machine if you wanted to win. What a conversation we had with that machine! RIP Sandy & I'll be thinking of you always! Love ya, Sharon
