“*Although I only met Alice during her stay at LanePark, she became a special friend to me. I will miss my "friend" at breakfast and dinner where we shared memories of our childhood and family. Those memories will be held close and I will cherish the time we spent together.*

My sincere sympathy to her family.

Always remember when a treasure becomes a memory, a memory becomes a treasure.

“*Oh the memories I have..... She was such a special woman! I feel honored to have spent so much time with her as we were growing up. I can still picture her all dress in her nurse whites with that little hat on, Her laugh and the way she would call your dad Barney Oldfield! My thoughts and prayers go out to you all!*
