“ Ann was an important member of our church, St. Mary on the Lake in Manitou Beach, Michigan. She enlivened our lives with her wit, creativity and artistic flair. We appreciated all she did for our senior citizens group, and for coordinating our liturgical ministry schedules. It was always a joy to see her each week. We will miss her very much. “ Tom & Linda and Martin. I am truly going to miss mom and I'm so happy you have felt I was a special part in her life. She is going to be hard for me to stay here. God works in strange ways he brought me into her life and her into mine. She was one of the most honest people I have ever met and she always had a very strong faith and helped me through a lot she will always be in my thoughts for the rest of my life and Roger truly loved her also he said she had a kind heart and soul. Cuddles mom I can't wait to meet her again and God will help me see her again. Thank you so much for allowing me to be with her. I had 8 great years with her. Just remember mom loved you all very much she expressed that a lot and how proud she was of you all including her grandchildren.

“ I met Ann when I spent a couple of weeks with Marty this spring. She immediately treated me like we'd been friends for years, and through our conversations I discovered that she was a strong and brave woman who'd managed to get a lot done in her life. I loved my conversations with her--it's an old fashioned term, but I can't think of a better one to describe her--she was a hoot. My condolences to Marty, Zeke, Adrien, and the rest of the family. She was a unique woman who'll be definitely missed.

“ Dear Tom, Marty, & Family, We were very sorry to find out about your mom's passing. We just read it in today's (82008) Adrian Daily Telegram. My folks sold their cottage in December of 2006 and my mom passed away in May of 2007 (colon cancer) so we had kind of lost touch with your mom. But we have lots of good memories of summers on East Ferndale Dr. You were good neighbors, and your mom was a very nice lady. Losing my mom was very tough. . . I feel for you. You have our condolences.

“ Mrs. B had a gift for making everyone feel welcome in her home. I loved going to the lake to visit because she made me feel so at home, I feel blessed to have enjoyed her company. My memories of her will be at the lake, making the trek across the yard, a glass of wine in hand, sitting under the shade of the tree and looking across the water. My thoughts are with you. Lisa
