“ Annette was a classmate with me at Waite while I was there and before I moved to Lake High School. Annette was poised,, kind and unassuming. She was a delightful classmate who was in some of my classes along with being a graduate of Waite 1968.

I had to leave in October of 1967 to go to Lake where I graduated in 1968.

“ She was my childhood friend. We had fun just being kids playing in our quiet, little girl ways. A wonderful friend and a kind, caring person who made the world a better place.
