“ *Paula, Nick and Natalie & the Domitio Family-There are so many fond memories of Tony. His passion for taking pictures of all of you and the famous slide shows back in day. He also made an impressive Santa Claus till Nick caught on. He will be missed but the memories will always keep him close to all of us. You are in our prayers. ?I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.?-Maya Angelou*
