“ Professor Gualtier: So sorry for your loss. As cliché as it may sound, it is sincere. I hope that all goes well with you and your family and that you receive the blessings and healing that you deserve. May Tony rest in heaven. God called him home and just know that it is not your fault.

“ Dear Gualtier Family, Over the past 6 years we have gone through alot of things together, some good and some bad. Tony was my best friend in the world, he was alway there when I needed him. I wish that things could have turned out different between us, but it is what it was. I am truley going to miss him, he was a good man, and a good friend. I am so very sorry, so sorry. May his soul rest in peace, and watch us from above. Love to you all.
