“ Stacey,

*I never had the pleasure of meeting your mother, but if you are anything like her, she must have been a very helpful and caring woman. I've only spoken with you through work, but you have always been so kind and willing to help me.*

*I wish to offer my sincere sympathy in the loss of your mom. It is never easy to lose a parent. May you find peace in this difficult time, and know that you have the support of so many people as you move through it.*
