“ Dear Paula and other loved ones. My deepest sympathy to you during this most difficult life changing experience. May you find peace and comfort knowing she is no longer in pain, and knowing she will live on forever in all of you! You will see and be reminded of her in each other. You will remember and cherish her life though each other by sharing stories, pictures and getting together just to be with each other in peace, as she would have desired. You’ll notice mannerisms in her grandchild and great grandchildren and each other that she has also passed down. Her favorite color, the way she laughed, how she used to decorate, the little things she did will be missed but not forgotten. Her belief in God is the biggest blessing she passed on to all of you. Let her faith comfort you and fill the emptiness that creeps in. My prayers are with you and may all your memories warm your heart! God Bless You! Love, Jolene Balogh

“ Carla, Corey, Paula, Scott and Erick My Brothers and Sisters... We all will miss Mom's earthly body with much heartache at times when she touched us all... and I know we all have moments when we sit and wonder how she did it!!! She was huge and The rock of our foundation! But I know her spirit lives on in us forever until we all meet again in heaven. My Brothers and Sisters we share a blessing of love, strength, faith and togetherness that is rare in a lot of families and our greatest gift to her would be to carry on that which she instilled in us... So My Brother Scott you better be answering that phone when I call :) I so love you all more than mere words can say God's loving arms be around us all and comfort us while we are longing for Mom's. Your Sister Laura P.S. Ansberg-West You Rock!!! Our Mother was BEAUTIFUL...Many Thanks

“ I was very sorry to hear about Barb's passing. She was such a fun person to work with at BWC. She always had a smile and kind word for whoever she came in contact with daily. I know that God had a special place planned for her. My sympathy and prayers to her entire family! God Bless!
