“ Aunt Barb you will be remembered for all the Christmases and birthday parties we all gathered together for. You were such a formative influence on my childhood. I'm so glad I was able to see you a couple of summers ago. You were so happy to have visitors! I'll try and add a pic from then. I'll always love you. Rest in peace from the west coast.

Great picture! I'll remember all the fun times we had together, all the camping trips with a circle of friends, all the new years parties we did, the times we'd played cards, just too many good times and lately the bus trips where we couldn't stop laughing. I'll keep you in my prayers and memories.

“ My mom was the favorite one to pick on. Bryan and I loved to laugh at and with her.
Going camping with my toddler son Brandon and my Mom and Dad were my favorite memories.
