“ What a strong woman. She faced this affliction head on just like she lived her life. She was the glue of the family with her 3 brothers and sister-in-laws. She is finally with her mother, father, sister and infant. We will all be together again in eternity.

“ Oh Barb, I would walk in and say, "Good Morning, Sunshine!" and you would bark back, "Not if I can help it!" Then we would laugh ourselves silly. Prayers for your loved ones, friend.
