“ *Barney was the best father in law ever. He always made me feel special & no matter how he was feeling he always made me feel special. When I last spoke to him a few weeks ago, I knew something was wrong & yet he still talked to me like everything was great and he told me how much he loved me and I told him how much I loved him too. I'm glad that I was able to tell him that before he passed. I'll always love you & now you are happy as can be smiling down from heaven. ❤️❤️❤️❤️*

“ Will always remember hearing “hello, beautiful!” Every time one of the girls asked how he was the answer was always the same: “I’ll never be as beautiful as you, but that’s the cross I have to bear”. But all along I knew that YOU were the beautiful one. Rest In Peace my AOM. I love you.

“ No what the occasion Barney made everyone feel good. Never a negative word. I will always be a better person for knowing " Uncle Barney".
One time he took some of my family on a tour of the Sunbeam Bread factory. It was so awesome watching bread stretching and kneading.
My dearest sympathy to all the family.
