“ *My deepest sympathy to the family of Bette Crowl on her passing. Bette truly was a remarkable person and a true friend to many. She was kind, generous, had a great sense of humor and willing to help anyone in need.*

*I first met Bette in 1983 when our mothers were in a nursing home and their rooms were across from each other. Her Mom passed away in June 1993 and mine in July, 1993. We remained friends since that time. I treasure all our experiences and memories.*

*May God grant each of you much peace in the days to come.*
