“ Beverly was the "very best friend" any one could ever have. She was so kind and polite that and she was a friend to many, many people. At one time, Bev was my supervisor when we were both with Ohio Citizens Bank. I left the bank in 1988; but I could never leave Bev. We still remained friends and met regularly for lunch, and when that was no more possible, we became telephone friends! GOOD Friends are hard to find; but we hit it off immediately! My prayers are with Bev's family!

“ Such a generous, warm and loving person. So fortunate to be a part of the Bavarian Club family with her and Frank. She was a good friend to my mom and she will be missed.
