“ To our extended family, Sandy, Trev, Joe, Autumm, Fawn, Chad, Krista, Lyndsey, Paige. I have to smile when I remember the silly weekend at the Lake when all the kids and Grandma tie dyed t-shirts. She would always smile around children. She wasn't even my grandma but she still made those hooded bath towels for my babies. You all have an amazing family! Our hearts are saddened for your loss. With Love, Rich, Kim, Blake, Brailee, Bowen, and Brooklyn Green
