“ Gary and family, my thoughts are with you all during this difficult time. Bonnie( Bonz) was a grand lady and was a joy to volunteer with her at St. Anne's. She was liked by all that crossed her path. She might be gone but for sure will not be forgotten. Sorry I could not be with you all during this time. Be strong like she was and take care of each other.

“ Gary and Family,

*Not many people that I have worked with in transportation had class. But she did and she took pride in her work. She came out of retirement for me. I will never forget that. That was the kind of person she was. I will miss her smile and sense of humor. My prayers and thoughts are with you all.  
Rest in Peace Bonnie BELL!*

“ I am so saddened to see the passing of Bonnie. We were great friends in College ! I remember her driving her green 1954 Dodge down 223 at 80 m.p.h. putting on her eye liner. I fact when she can back to Toledo after leaving Texas, we babby sat Deserae a few times ! But she was very little. I will be there tomorrow to pay my respects to one fine lady. GOD bless the family and ease this loss. Blessings

“ Bonnie and I became forever friends in 7th grade. We also became close to each others families and spent a lot of time in at one home or another. As adults our paths separated but when we came together it was as if no time had passed. My heart goes out to Gary and all of her family. She has flown above the pain of life and her soul is at please. My prayers will always be with her and she will always be my forever friend. Love you girlfriend, Verna

“ Our thoughts and prayers are with you all at this time and in the days ahead. Mom Bone was one-of-a-kind, so thoughtful, caring, and strong. Her humor, easy smile, and laugh is what sticks in my mind the most. We will miss her so very much! God bless!
