

## Bradley David Ansberg

January 27, 1975 - March 26, 2024

Bradley David Ansberg, of Ottawa Hills, 49, passed away peacefully surrounded by his loving family and friends on March 26, 2024. He was born in Toledo, Ohio on January 27, 1975, to Charlene “Jo” Lebold and John Ansberg. Bradley was a graduate of St John’s Jesuit High School and Wittenberg University.

He is survived by his loving wife Carrie and their two sons, Theodore “Teddy” and Ford Ansberg, his father John (Bridget) Ansberg, best friend and brother Todd (Christi) Ansberg, parents-in-law Ted and Esther Barto, sister-in-law Erica (Chris) Sarakaitis, nieces and nephews Elise, Bre, Ben, Juliet, Vivian. He was preceded in death by his mother Jo Lebold.

Bradley was beloved by all for his insatiable zest for life. Whether traveling with Carrie, three-hour lunches, or simply sitting on the back patio on a sunny afternoon sipping Chardonnay with friends listening to his favorite tunes from Frank, Herb, Al and Anita talking about fine time pieces and classic cars, Bradley lived every minute to the fullest. His passion in life was building the family business along-side his father and brother. Most of all, he loved being a husband and father.

Bradley made each person he met – whether through work, a new neighbor, or even the gal at the check-out counter – feel special and important so much

so that he was the best man in eleven weddings. As a result, those who consider him a dear friend are too many to count. Simply put, Bradley made the world a brighter place.

The family would like to thank the medical teams of the Cleveland Clinic, The Hickman Cancer Center and ProMedica Toledo Hospital for the care and compassion they provided Bradley.

A celebration of Bradley's life will take place Thursday, April 4, 2024 from 4:00-7:00PM at Inverness Club. Bow ties encouraged. In lieu of flowers, consider a donation to the charity of your choice or pour a cocktail, celebrate every day and let the people in your life know how much you love them, as Bradley did.

“ Bradley helped us with the preparations for both of my parents funerals. I could not of asked for a more caring and compassionate person who made it so much easier to handle. Seeing him always be so kind and acknowledging us at many Greek funerals he made us feel like friends. His kindness will forever be remembered. May his memory be eternal 🙏

“ Condolences to your family upon Brad's passing. He took care of services for my family needs a few years ago on the passing of my daughter, Lisa and wife, Marie, just a few short months apart. In each instance, he provided very professional and attentive handling in planning for each celebration of life and service that followed. His care and attention to detail enabled us to focus on greeting family and friends without concern. A beautiful life which ended too soon. He will certainly be missed by all who knew him.

“ Brad is a Fiji brother from Wittenberg. He was a classy guy before I even understood what that meant. He taught me about good food, good wine, good music, and most of all how to invite everyone into the circle to enjoy these things. He exuded quiet confidence, camaraderie, and inclusivity before that was even a thing. Always kind, always humble, always Brad. Though I haven't seen him since college, his spirit inspires me still. My deepest sympathies and condolences to his family, especially his wife and sons. I know without any doubt that he was an unbelievable father and husband. Rest in peace my brother.

“ I was shocked when I saw Brad's obituary in the paper. I tutored him when he was in high school. I adored him. I was always so happy when I would run into him. Heaven got a great one.

“ There are too many precious, and hilarious, moments to recount with Bradley (from family hangouts & dinners, to fireside chats with Chardonnay). He was a rare soul who possessed the gift of friendship and kept the art of chivalry alive. ONE of the many fond memories I have with Bradley is from a wedding of a mutual friend where Bradley asked for a dance. I was completely caught by surprise when he whirled me around the dance floor culminating in a dip nearly to the floor! Carrie had not warned me of Bradley's true love for dancing, I smile to this day thinking about that wild dance, and how Bradley had SO many talents which never failed to impress.- Courtney Fox

“ *To Carrie, Teddy and Ford; to Mr. John Ansberg and his wife Bridget; to Todd and Christi and all the members of the family I send my heartfelt condolences. To say, as does his obituary, that he “was beloved by all for his insatiable zest for life“, is to put it mildly! All my encounters with Brad, especially when I was Pastor of St. Pius X were gracious moments. His warmth and care were so very very obvious. He always put a smile on my face and warmth in my heart. May the Lord hold him forever in the palm of his hands.*
