WATSON

Brandon M.

Brandon Michael Watson is continuing his kayaking adventures in a new and different place after leaving us on Wednesday, February 15, 2017. Born in Akron, Ohio in 1972, he called the greater Toledo area home for the last 10 years. Most recently he was a welder for Faurecia Exhaust Systems, in Toledo where he was a member of UAW Local 12 and Union Representative for C crew. Brandon was always quick with a big smile and a hearty laugh. He answered to many names including Babe, Butch, Brando and "Unc". A graduate of Cuyahoga Valley Christian Academy in 1991 and possibly their worst English student ever, Brandon was a voracious reader and loved to read and recite the poems of Walt Whitman and Robert Frost. Brandon took to heart the parable of the Good Samaritan and always tried to help those in need. If you knew him, you know that you'll never meet anyone quite like him again. Words cannot express how much he will be missed.

Brandon was preceded in death by his father, Daniel Watson and aunt, Margaret Watson. He is survived by his parents, Patricia Watson and Walter (Tony) Plath (Toledo), aunt, Meredyth Corbett and uncle, Dr. Larry Corbett (Sedona, AZ), cousin, Matthew Corbett (Goshen, IN), aunt, Sherry and husband John Hack (Toledo), brother, Michael Plath and fiancée, Jennifer

Hernes (Toledo), his brother, Patrick Watson and sister-in-law Jennifer Watson (Worthington, OH) and nephews, Miles Watson (Bowling Green) and Trevor Watson (Case Western) for whom he was a rock-star. He is also survived by "Auntie Sue" Donovan (Campbell, CA), "Auntie Helen" Compton (Silver Lake, OH) and "Auntie Barb" Wise (Stow, OH).

The family will be holding a private memorial service at a later time. In lieu of flowers, please donate to Partners for Clean Streams, Perrysburg, OH. Ansberg-West Funeral Directors, (419) 472-7633.

“ We all were so sad to hear about Brandon and it's so difficult to put into words my expression of sympathy but I will try: when I first met Brandon several years ago at Sherry's Christmas Eve get together he and I had a heartfelt conversation about our walk with the Lord. I felt a real connection with him. Each Christmas Eve I looked forward to seeing him. He truly did light up a room with his beautiful smile and light in his eyes. He was always so positive and his words were kind. I felt the peace of God emitting from him when I was in his presence. He was truly one in a million and will be missed. I can't imagine how much pain his family is feeling right now but please take comfort in knowing that he touched so many lives including mine. Christmas Eve won't be the same without him. There is comfort knowing he is in heaven with our Lord and savior. I pray for strength, comfort, and fond memories of Brandon for Patty and the family.

“ Aunt Patti and Uncle Wally,

I can see why Brandon was so loved. The few times that I have been around him it was obvious that he made a conscious effort to reach out to others with the goal of sharing a smile or a kind word.

As I know that the pain and loss that you are experiencing is a burden that no parent ever wants to carry, I hope that you may find peace in knowing that Brandon is now Home with his Heavenly Father sharing his smile with His Savior!

Love,

Crissy

“ *My Dear Family - No words can express my deepest sympathy at this most difficult time. I am just heartbroken to lose my special nephew. I will always remember Brandon's beautiful smile that could light up a room and what a great personality. I feel blessed to have known him and will always remember how he touched my heart when he said " Aunt Sherry, I have on the sweater you gave me". Brandon, you will truly be missed and I love you. My love and heartfelt sympathy to his wonderful family. Aunt Sherry*

“ *To the Watson family: Please accept my sincere condolences and deepest sympathy on the loss of your dear loved one. Death is such a tragedy for all of us, and when it touches us personally, it's sometimes difficult to find the comfort that we search for. Our loving Heavenly Father Jehovah, who is the God of all comfort, feels empathy for those who have lost a loved in death, and therefore promises to swallow up death forever and eliminate all pain and suffering. (Please read Revelation 21:4 and Isaiah 25:8) Jesus gave even more reason for hope at John 5:28,29 where he explains: "...all those in the memorial tombs...will come out..." As you read the above texts in your Bible, may they give you hope and comfort, during this most difficult time. Again, my deepest sympathy. David Cowles*
