“ Dear Ginny, I was so suprised and sad to read of your mother's passing. I don't know if you remember me but I wallpapered and painted for her and we became friends. I talked to her a few months back and we were always "going to get together" but sadly, didn't. She was a special gal and my prayers are with you and your family.

“ Ginny, I am so sorry to hear about your Mother. I am so sorry to have missed her service, but I just heard of her passing this morning. I was just missing her the other day and thinking about her. I transfered offices and now work in Radiology. Your Mother was such a high spirited woman! She will be missed, but its comforting to know she is with your Father. She spoke of him many times to me. My prayers are with you all.

“ Brenda's Body Shop was a well-run business that was a bright spot in Toledo entertainment back in the days when the downtown didn't have much else to offer . . . RIP, Brenda!
