

Carol Ann Youngs

April 9, 1949 - January 30, 2025

Carol Ann (Copeland) Youngs, 75, wife of 54 years to her high school sweetheart, William Edward Youngs, passed away on January 30, 2025, at St. Joseph Medical Center in Lexington, KY after a long battle with Alzheimer's disease. Born April 9, 1949, in Lima, OH, she was the daughter of the late Mildred (Widney) Copeland and Richard Copeland. In addition to her husband, she is survived by her beloved daughter and son-in-law, Betsy and Adam Lowe, and two grandchildren that she adored, Ally and Brian. Although Carol did not have siblings by blood, her brother and sisters-in-law were like siblings and very close to her; Tom (Margaret) Youngs, Diana (Tom) Finkelmeier, Jim (Kathy) Youngs and Kathy (Steve) Kuhn. Also left to mourn her are several friends, nieces, nephews, cousins and devoted friend, Karen Zach. She was preceded in death by her son, Beau Youngs.

Carol graduated from Celina Senior High School in 1967 as Valedictorian. She received her bachelor's degree in Secondary Education from Bowling Green State University summa cum laude, received her master's degree from the University of Toledo and completed her doctorate degree from Fielding University.

Carol devoted her life to teaching others. She was a passionate teacher and administrator in Washington Local Schools and Sylvania schools, tutored many students, including her nieces and nephews. As an administrator, she

taught other teachers technology. Never able to retire completely, Carol then taught online classes for Grand Canyon University. Her passion for teaching continued by becoming an author of computer textbooks.

After retirement, Carol enjoyed spending time in the Keys, spending time with her grandchildren, golfing, fishing in the UP and going to the Toledo Zoo with her son and grandchildren. Her family would like to thank the staff at Cedarhurst Senior Living and St. Joseph Medical Center for her compassionate and attentive end of life care.

“ Carol was the technology expert who inspired hundreds of teachers at WLS as we struggled with this "new" concept. of computers in the classroom. She made it fun and interesting as we explored how we would apply this to our classroom teaching. She will be remembered for her patience and dedication as a person as well as an instructor. Her life of service is appreciated by all she inspired.

“ Aunt Carol was just a special woman. She was always kind and so patient, even if our family didn't always quite deserve it. (We can be a feisty bunch). I'll always remember her laugh and the way she stepped in for Uncle Bill each birthday and Christmas, picking the perfect gift for me every time. Uncle Bill “bought” the gifts, but it was Aunt Carol who was the only one who seemed to know what I was about to unwrap on those special days and that always made me laugh and feel like I got a bonus Godparent. I'm so grateful to Betsy for taking such extraordinary care of this woman we all cherished and it warms my heart to know she and Beau are together again.
