“ Dear Scott, Jill & Julie: I was saddened to learn of your of your mom's passing. I have some fond memories from being a 4th gr. student of hers at DeVeaux. She had a bright, beautiful smile which she passed on to the three of you! I also remember her robust laugh. What I most remember was her love & encouragement for our education. We had a weekly assignment to put our spelling words in sentences. She was the first teacher who I remember encouraging my love of writing by allowing me to put my spelling words into short stories. God love her, I don't know if she took the time to read them ALL, but to this day I appreciate her encouragement. May she rest in peace. And may her family find comfort in their memories of her.
